

Sheet for reusable cards.

Adjust the outer frame to your card size making sure it is 1/2" smaller than on each side.

Cut 3 sheets per card .

Write your name and the year on the fine line.

Machine stitch the sheets center line on center line onto the card.

This diagram fits to cards  
~ 18 x 11 cm / 7 x 4 1/2".

Reuse this handmade card.  
Just rip out the used sheet.  
Don't use a ball point pen for writing.
