All measurements are centimeters.

Using large blocks:
 center will be ~ 50x60 cm
 with borders included ~ 70x80 cm

Using small blocks:
 center will be ~ 40x48 cm
 with borders included ~ 65x70 cm.

L, N and P: 8x4; 10x5 cm
 Border 1: left and right 3 // 2,5 cm,
 top and bottom 2 // 2,2 cm
 Border 2: 1 cm;
 Block border ~ 7 cm
 Strip border ~ 5 cm

Fabrics

Select two brownish background fabrics: one for the paper pieced blocks and one for the rest. They represent the dark forest soil on which mushrooms arise. Batiks would be fine here.
 Select from your scrap bin for the mushrooms - the more variety the better.
 Fabric calculation for Paper piecing can never be accurate. To be safe get at least one yard per background.

This pattern is intended exclusively for your personal use.
